

Reimagining Commercial Insurance.

Corvus Financial Institutions products address risk by augmenting legacy underwriting practices with new data sources and providing an elevated service experience for our distribution partners and clients in the financial institutions segment.

Our primary policy, Smart Investment Advisor Insurance™, is a comprehensive, fully customizable policy designed for the investment advisor market. This data-driven suite of offerings includes Directors and Officers, Errors and Omissions, Fund Liability, Employment Practices Liability, and Fiduciary lines for a wide range of financial institutions.

Backed by proprietary data and AI-enhanced insight, Corvus provides flexible coverage options for financial institutions on a primary and excess basis.

About Corvus

Our mission is to empower brokers and policyholders to better predict and mitigate risk.

We build Smart Commercial Insurance™ policies and helpful tools based on new sources of data we identify and analyze with techniques like machine learning.

With Corvus, your clients get actionable information they can use to predict and prevent claims.

Corvus is an MGA writing financial institutions insurance on Accredited Surety and Casualty Company paper rated A-, X by A.M. Best.
