

# Smart Cyber Reinsurance Corvus Insurance

## We are Corvus

Our mission is to empower brokers and policyholders to better predict and mitigate risk.

We build Smart Commercial Insurance™ policies and helpful tools based on new sources of data we identify and analyze with techniques like machine learning.

With Corvus, your clients get actionable information they can use to predict and prevent cyber claims.

Corvus is an MGA writing on Hudson Insurance Group paper, rated A, XV by A.M. Best.

**Our White Label Reinsurance Solutions provide essential cyber coverage to your policyholders, accompanied by unique tools and insights to mitigate, predict, and prevent cyber loss through AI and machine learning. Corvus' Smart Cyber Reinsurance will help differentiate you with brokers and policyholders while affirmatively addressing cyber coverage.**

Dynamic Loss Prevention™

White Label Alternatives

Cutting Edge Technology

### Why Offer Smart Cyber Reinsurance?

- Coverage provided to all policyholders with no underwriting
- Affirmatively address cyber risk
- Efficient quoting for buy-up policyholders with the shortest application in the industry
- Ability to white label Corvus' technology to differentiate your business amongst agents and policyholders.
- Online platform for easy quoting
- Enhanced Buy-up coverage
- Ongoing cyber threat monitoring throughout policy period
- Every policy includes prioritized recommendations for fixing key IT vulnerabilities
- Risk Management Portal for cyber education & training
- Dedicated breach response team
- Cyber security training & testing

### Enhanced Coverage

- Automated quoting for buy-ups (up to \$3M limits and \$300M revenue for most classes of business)
- Up to \$10M primary and excess limits, with broad industry appetite
- Shortest application in the market - submit in under 90 seconds
- Selling tools to help quantify clients' cyber risk and sell coverage

### Why Policyholders Love Us

- Dynamic cybersecurity alerts mitigate critical cyber vulnerabilities
- Detailed cyber security assessment provided for each policyholder
- Cyber security training and testing help mitigate risk of a breach
