Excess Coverage

- Follow-form coverage
- Access to our risk prevention solution, Corvus Signal™, shown to reduce the frequency and cost of cyber breaches by 20% in policyholders that engage

About Corvus

Corvus Insurance is building a safer world through insurance products and digital tools that reduce risk, increase transparency, and improve resilience for policyholders and program partners.

Our market-leading specialty insurance products are enabled by advanced data science and include Smart Cyber Insurance[®] and Smart Tech E+O[®]. Our digital platforms and tools enable efficient quoting and binding and proactive risk mitigation.

Eligibility for such programs is determined when you apply for coverage. Policy quotes, terms and conditions, and premiums are made in accordance with Corvus Insurance's underwriting guidelines. The policy, not general descriptions or material within this document, will form the contract between the insured and our insurance carrier partners. Coverage may not be available in all jurisdictions.
