

Meet Corvus

Our mission is to empower brokers and policyholders to better predict and mitigate risk.

We build Smart Commercial Insurance® policies and helpful tools based on new sources of data we identify and analyze with techniques like machine learning.

With Corvus, your clients get actionable information they can use to predict and prevent cyber claims, and our partnerships with sensor providers enables enhanced coverage options for sensitive goods.

Corvus is an MGA writing marine cargo insurance on Skyward Specialty Insurance paper rated A-, IX by A.M. Best.

About eProvenance

eProvenance is the leader in solutions to monitor and analyze shipment and storage conditions of sensitive and perishable cargo. In eProvenance, Corvus policyholders get a partner for integrated monitoring services, including the use of proprietary sensors for tracking the temperature of shipments, an online dashboard for viewing reports and analysis, and the eProvenance Score, which clearly indicates the extent of shipment damage (if any).

Corvus and eProvenance have teamed up to bring wineries, breweries and beverage distributors industry-leading monitoring and insurance coverage for sensitive cargo

Our Program

Buy Smart Cargo + Cyber Insurance

You'll have our comprehensive Ocean Cargo coverage with the industry's first affirmative Cyber endorsement designed for cargo.

Monitor with eProvenance

Purchase monitoring services for your **preferred storage location** and at least **5 shipments in excess of \$100,000 in value during your first policy year** (package cost of \$1,500).

Monitoring from eProvenance:

- Engages your customers, assures them of wine quality and enhances their brand experience and loyalty.
- Heightens the value of your insurance by clearly indicating when temperature conditions have preserved quality or caused damage.

Score and Save

eProvenance shares your shipment and storage scores with Corvus and if your aggregate eProvenance Scores remain at or above 80, you receive the benefit of a **50% reduction in transit and warehouse deductibles**.
